Mr. Joe Miles,
526 North Second St.,
Richmond, Va.

Dear Mr. Miles:

You have received my wire by now and may have received placards for Thursday, the 17th. I am writing to give you some information so you can get all publicity possible. We are bringing the Phila Stars to Richmond on Monday, the 14th, and the Baltimore Elite Giants on Thursday, the 17th. I ordered you 150 placards for each day. You have no doubt received them by now. Please drop me a line as soon as they are received and let me know how things are coming on. You will receive publicity about the Stars and Elites directly from them. I am sure you have received publicity about the Eagles by now.

Thank you for your co-operation.

Very truly yours,
